INDEPENDENT AUDITOR'S REVIEW REPORT

The Shareholders Ooredoo Q.S.C. Doha - Qatar

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of **Ooredoo** Q.S.C. (the "Company") and its subsidiaries (together the "Group") as at 31 March 2016, and the related condensed consolidated interim statements of profit or loss, comprehensive income, changes in equity and cash flows for the three-month period then ended and selected explanatory notes. Management is responsible for the preparation and fair presentation of these condensed consolidated interim financial statements in accordance with International Accounting Standard 34 "Interim Financial Reporting". Our responsibility is to express a conclusion on these condensed consolidated interim financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of the condensed consolidated interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial statements are not prepared, in all material respects, in accordance with International Accounting Standard 34 "Interim Financial Reporting".

Emphasis of matter

Without qualifying our conclusion, we draw attention to note 7 (i) and (ii) of the condensed consolidated interim financial statements, which explains that:

- the effects on the property, plant and equipment of the Group's subsidiary in Iraq due to the current security situation in certain locations there; and
- certain properties received as part of the settlement arrangement agreed with the local bank in Iraq and legal title
 is not yet transferred in the name of the Group's subsidiary.
